NEW ORLEANS, LA., (March 13, 2020) – Churchill Downs Incorporated (“CDI”) (Nasdaq: CHDN) announced today amid public health concerns regarding COVID-19, all live races beginning immediately through the remainder of the racing meet ending March 29 will be conducted spectator-free with only essential staff, credentialed horsemen and media in attendance. The Louisiana Derby at Fair Grounds Race Course will run as scheduled on Saturday, March 21 under the same spectator restrictions. Pari-mutuel wagering will also be closed to the public at Fair Grounds through the remainder of the meet. The on-site slot facility and off-site OTB and video poker operations will remain open to patrons as usual.

The safety and health of guests, employees and participants remain of primary concern and the team at Fair Grounds Race Course & Slots will continue to take every precaution to ensure the comfort and safety of those in attendance. We continue to work very closely with Governor Edwards and Lieutenant Governor Nungesser, Mayor Cantrell and the Louisiana Racing Commission in order to comply with all public health orders regarding COVID-19 and make the most responsible decision for everyone involved.

Preparations to host Kentucky Derby 146 on the first Saturday in May at Churchill Downs are currently still moving forward. With the event still seven weeks away, a decision will be made closer to that date, with respect to postponing the event until later in the year, using the most recent information while working with and seeking guidance from public health experts and authorities.
